

Building and Ground Usage Policy

"All events, ceremonies or gatherings of any kind whatsoever on Library grounds, inside or outside, require prior (at least 5 days in advance) written approval of the Library Director. Any unauthorized event will be asked to cease and desist immediately. Failure to do so will be reported to local police. No exceptions.

The following activities, events, ceremonies or gatherings are specifically prohibited outside on Library grounds: any activity prohibited by law; events with a large group of people, being defined as 10 or more people; private parties; events with alcoholic beverages being served or consumed; scattering of ashes of cremated persons or pets; planting of flowers, vegetables, trees, shrubs or other plants; and anything that blocks ingress to or egress from the parking areas. Any dispute regarding whether an activity is permitted shall be up to the discretion of the Library Director, which shall be final."
